

# NEW ZEALAND'S MOST STYLISH & AFFORDABLE POOLS

## FINALLY A POOL YOU CAN AFFORD

Crafted with precision, each Southern Plunge Pool is a testament to expert craftsmanship, ensuring years of enjoyment for you and your family.

Our pools are made in Aotearoa, New Zealand and can be easily installed by you, a landscaper or a builder – saving you money without compromising on quality.

Whether you have a spacious backyard or a cozy courtyard, our Southern Plunge Pools come in various sizes to complement your unique outdoor area.

Create a stylish, tranquil haven that you and your family will love for years to come.

## Southern Plunge Pools

# OUR POOL PACKAGE

## PLUNGE POOL PACKAGE

**The pack includes everything you need to run your pool (excluding chlorinator).**

- In ground and above ground options available.
- Choose from heated & cold or cold options.
- Heated option reaches temperatures up to 35°C.
- Above-ground installation is possible, but it must comply with NZ regulations, such as being on a concrete slab and earthquake/floodproof.
- Each pool is brand new and manufactured upon order.
- Proudly made in New Zealand, not imported.
- Faster production and shipping times.
- Enjoy 20% to 25% more water volume.
- All designs include built-in safety ledges, ideal for kids.
