

Southern Plunge Pools

— NZ-MADE KITSET FIBREGLASS POOLS —

New Zealand's most stylish & affordable pools

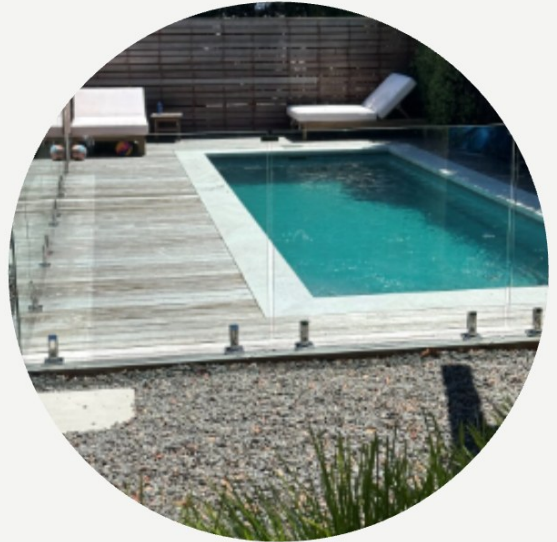

Kitset pools for large and small spaces

Finally a pool you can afford

Crafted with precision, each Southern Plunge Pool is a testament to expert craftsmanship, ensuring years of enjoyment for you and your family.

Our pools are made in Aotearoa, New Zealand and can be easily installed by you, a landscaper or a builder — saving you money without compromising on quality.

Whether you have a spacious backyard or a cozy courtyard, our Southern Plunge Pools come in various sizes to complement your unique outdoor area. Create a stylish, tranquil haven that you and your family will love for years to come.

POOL PACKAGE

Kitset plunge pool

(In-ground and above-ground options available)

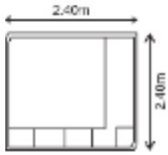

Our kitset plunge pools are ideal for self-installation or by your builder. The pack includes everything you need to run your pool (excluding chlorinator).

- Choose from heated & cold or cold options.
- Above-ground installation is possible, but it must comply with NZ regulations, such as being on a concrete slab and earthquake/floodproof.
- Proudly made in New Zealand, not imported.
- Enjoy 20% to 25% more water volume.
- Heated option reaches temperatures up to 35°C.
- Each pool is brand new and manufactured upon order.
- Ready in as little as 2–4 weeks — built to order, not shipped from overseas.
- All designs include built-in safety ledges, ideal for kids.

WHY CHOOSE SOUTHERN PLUNGE?

Year round enjoyment

Experience the joy of swimming, cooling off, or simply unwinding in your plunge pool throughout the seasons.

Expert craftsmanship that lasts

Hand-built by a team with over 20 years of manufacturing experience, with strict quality checks at every stage.

Environmentally friendly

Designed with energy-efficient features, promoting sustainability without compromising on performance.

Stunning designs

A variety of designs, colours and finishes that seamlessly integrate with their surrounds.

Simple to operate

Adjust the water temperature with your heat pump and set the mood with multi-colour LED lighting.

Built to last

25-year structural warranty on every pool shell, plus 1 year on the gelcoat surface.
